

FROM GRAIN & MALT TO BOTTLING & BEYOND INSURANCE HOUSE HAS YOU COVERED

Insurance is a necessary evil.

If 'the hops hit the fan' someday, you'll be glad you took the time to get it done right.

It's important to understand that Insurance is not a one size fits all purchase and you shouldn't settle for 'near enough is good enough'. Speak to a specialist broker who understands micro brewing today.

Bespoke Cover

Spoilage, leakage and contamination included

Excise Duty Cover

Liability extended to cover participation at industry trade shows

Deterioration of stock extended to include perishables within kegs

Stock definition broadened to include raw materials, labour/manufacturing costs and alcohol
