

Professional Indemnity Insurance for Designers

As a Designer, you help people realise their dreams every day. But did you know, if a client suffers a loss as a result of a design or related advice provided by you, you might be liable? Without professional indemnity insurance for designers, you may be personally liable to pay compensation and legal fees related to a claim.

We have developed professional indemnity insurance for designers to provide cover and support in the unique areas of risk you face.

Apply for Insurance House's Designers' insurance without delay!*

Competitive Prices

Our clients are enjoying substantial savings on their insurance costs. Our very large portfolio of Designers throughout Australia provides us with the leverage and bargaining power we need to negotiate the best deal possible for our clients.

Low Excess

Our minimum excess is as low as \$1,000 per claim with Nil excess payable if only legal costs and expenses have been incurred.

Building Act Compliant

Our policy fully complies with ALL state Building Acts and Registration requirements.

Claim Management

Our highly experienced in-house claims team offers first-rate support and you can call them 24/7 in an emergency.

One Stop Shop

We can assist with all your insurance requirements including business insurance, public liability, office and contents, vehicles, builders warranty, contract works, life insurance, income protection, partnership protection and home & car insurance.

Concerned about changing insurer?

Don't be! Our unlimited retroactive date will cover you for claims made against you during the policy period - no matter when the advice was provided in the past.

How to Apply

- Visit www.insurancehouse.com.au and click on the "Buy Insurance Online" image.
- Select the 'Building Designers' option from the dropdown and complete the online application to receive an immediate quote.
- Upon acceptance of the quote, you will receive an email with policy confirmation, receipt and tax invoice
